## **KYB AWARDED TOP GROUP AUTO INTERNATIONAL PRIZE**

KYB Europe has been awarded 'supplier of the year' by Group Auto International.

Over the past few years, KYB has won almost all categories, which is a great success. However, being elected by the whole community of over 1,200 Group Auto members as the best in all categories is an outstanding certificate of excellence.

KYB Europe has been a partner with Group Auto for many years and has a proven record for business development with its members.

Mike Howarth, Vice President of KYB Europe explains "KYB Europe has worked alongside Group Auto International for a long time and greatly values its business partnership. I'm delighted that the members have recognised our hard work and support over this time by voting KYB as their best supplier. It's really an honour to receive this prestigious award".

KYB is one of the world's largest manufacturers of original equipment shock absorbers, with one in four of all cars leaving production lines worldwide fitted with KYB as standard. In addition to world class shock absorbers, KYB in Europe also supplies a comprehensive range of coil springs, along with suspension mounting kits and protection kits.
