

Our Precision, Your Advantage

THE WORLD'S LARGEST SUPPLIER OF SHOCK ABSORBERS

KYB is the world's largest supplier of shock absorbers to vehicle manufacturers. Over 1 million KYB shock absorbers are manufactured every week. 1 in 4 of all vehicles leaving production lines worldwide are fitted with KYB as standard. KYB is also the largest OE shock absorber supplier in Europe.

KYB Europe GmbH provides world class product quality and customer service to the aftermarket in Europe, the Middle East and Africa.

KYB provides superior product quality to all of its customers throughout the world in a variety of industries. This is recognized by the company slogan, 'Our Precision, Your Advantage'. KYB will never compromise on product quality.

KYB PRODUCTS

PREMIUM

Standard replacement range of oil filled shocks, struts and cartridges. Provides upgrade for worn suspensions, restoring original damping characteristics to give improved comfort & safety.

EXCEL-G

Full range of oil filled shocks, struts and cartridges. With gas charge to further improve performance and prevent fading. The Excel-G range provides an ideal upgrade where original equipment is a standard oil product.

GAS-A-JUST

A range of oil filled shocks with monotube design and high pressure gas charge which gives very firm damping. Ideal for performance vehicles and 4x4s.
